## Projects

---

### Bam Nam Khem Batik / Training

Teaching batik techniques to locals (clothes, bags, shoes, hand towels, scarves, pictures and frames). Marketing of all products.

#### Locations

Phang Nga, Takua Pa, Bang Muang, Nam Khem, Village 2                      30 people                      ongoing  
Start date: Jun/2005                      End date: not specified

---

### Art for teenagers and villagers affected by the tsunami / Children's Activities

1. Artwork, such as drawing pictures, is fun and helps to keep them away from drugs.
2. To help them earn a little extra money from their art work.

#### Locations

Phang Nga, Takua Pa, Bang Muang, Nam Khem, Village 2                      30 people                      ongoing  
Start date: Jun/2005                      End date: not specified

---

### A program in schools aimed at teaching students to make batiks part 1 / Children's Activities

This program is to encourage children and teenagers to use their spare time to benefit themselves and their family by earning a little extra income.

#### Locations

Phang Nga, Takua Pa, Bang Muang, Bang Sak, Village 7                      completed

Start date: 2005                      End date: 2005

---

### Painting on fabric with acrylic / Children's Activities

Introducing new techniques by training children and teenagers, and some children in pre-school, to paint with acrylic. These children also learn how to make the shirts, which display their skills, so that they can make money to help with studies and earn a little extra money.

#### Locations

Phang Nga, Takua Pa, Bang Muang, Nam Khem, Village 2                      No. not specified                      ongoing

**Notes:** 1. They are inviting specialists to come during the break between school years, Mar – May.

2. A study tour to Phuket and Ranong during the school year, June – Dec.

Start date: 2006                      End date: 2006

---

### A program in schools aimed at teaching students to make batiks part 2 / Children's Activities

This program is to encourage children and teenagers to use their spare time to benefit themselves and their family by earning a little extra income. This program follows on from school program part 1.

#### Locations

Phang Nga                      No. not specified                      ongoing

**Notes:** 1. During the break between school years, Mar – May.

2. During the school year, June – Dec.

Start date: 2006                      End date: 2006
