### Projects

---

#### Sewing Income Generation / Training

The project provides technical support to assist training 10 Burmese women in sewing activities. The overall objective is to empower the women in the Burmese community to further develop their skills, and continue to produce their own clothing materials after the training is completed. Women can then generate income for their families from the skills practised throughout the training.

#### Locations

Phang Nga, Takua Pa, Khuk Khak, Khuk Khak, Village 3	10 women	completed
Start date: Feb / 2006	End date: July / 2006	

---

## Fishery Income Generation / Training

Provides training for women to empower individuals in the community, whilst training them on producing their own fish traps, crab nets, shrimp nets, and squid traps with donated fishing tools and materials. The project seeks to assist 130 women guiding each individual to start work generating income for their families from the skills practised throughout the training.
