Aid Agency Report

American Refugee Committee International (ARC)

Last Updated: Sep 5 2006

Provide boats for fishermen in tsunami-affected areas, so they can return to work and earn money to take care of their families. The scrap wood from boat making is used to make furniture for people in the local communities.

Founded in: USA

Date: 1978

First working in Thailand: -

First work in tsunami-affected areas: Jan 2005

Expected end date of tsunami relief: June 2006
